FOR IMMEDIATE RELEASE

## Windsor Introduces the Axxess Floor Care Package

**Denver, CO** – Windsor, a Member of KÄRCHER North America, introduces a new, innovative complete maintenance solution for carpet and hard floor - all in one versatile package—the **Axxess Floor Care Package**.

The Axxess line provides the perfect tools for small space cleaning, providing easy access to hard-to-reach areas. With four critical cleaning functions—vacuuming, burnishing, above-the-floor dusting and natural stone and terrazzo maintenance—all with HEPA quality filtration, the Axxess line is also the most economical and way to maintain some of the hardest to clean areas in a building.

For soft floors, the Axxess 12 or 15 is a powerful two-motor upright vacuum. It provides the agility you need and the power you want in the lightest two-motor commercial upright available. It is equipped with a HEPA quality, three-step filtration system that results in 99.9% effectiveness to 0.3 microns, making it the perfect choice in dust sensitive areas. And at only 17 pounds, Axxess is up to five pounds lighter than comparable commercial uprights. Axxess provides the same legendary Windsor durability and world-class quality as our other models.

For hard floors, the Axxess Burnisher is the perfect machine to bring a shine back to small or hard-to-reach floor areas. This 12" burnisher maneuvers easily in and out of tight spots and with a weight of under twenty pounds, it's simple to get it to any cleaning location. Axxess Burnisher automatically adjusts to the floor for a consistent shine. It even completely lifts the pad off the floor surface for protection if there is too much resistance. For natural stone and terrazzo floors, the Axxess system offers a three-step diamond pad maintenance system. It has never been easier to make hard floor shine.

Axxess also becomes a convenient portable vacuum when the power head is removed. It is perfect for vacuum dusting and detail cleaning above the floor. Axxess also makes easy work of stairs and furniture.

For more information, or to request a quote on the new Axxess Floor Care Package, visit [www.windsorind.com](http://www.windsorind.com).
