FOR IMMEDIATE RELEASE

Premium Care Carpet Spotter Customized with Customer's Name & Number

Chandler, AZ –Prochem, a Member of Kärcher Floor Care.

Professional Carpet Cleaners can now customize the Premium Care Carpet Spotter with their company's name and phone number. The spotter is a safe, yet effective product that will handle common spots around the house. The professional can leave the spotting product behind to increase repeat business or charge for the product and drive additional profits for their business.

Homeowners will utilize the spotting product and keep it around because it is valuable to them. Further, when they are ready for their next cleaning they will know where to go to get the professionals contact information. The professional will remain top of mind with their hard earned customers.

With a 4 case minimum order, Prochem will ship the product to the professional within 5 business days of the order being received. The professional looking packaging will show that this isn't your common grocery store product and they need to call you to get more. Just visit your local Prochem Dealer to place your customized order today.
