FOR IMMEDIATE RELEASE

Kärcher Floor Care Launches New Web Site

Denver, Colorado – Kärcher Floor Care (KFI), the leader in Innovative Equipment Solutions, today announces the launch of our new web site at www.KarcherFloorCare.com.

This web site serves our family of brands, which include Windsor, Professional Chemicals (Prochem), Century 400 (C400), TecServ and Graco. Visitors will now find a more streamlined web site that provides product rich content and increased search functionality. It provides one-click access to product and industry information, as well as access to current news and subjects of interest such as green cleaning. Individual brands can still be accessed by their direct web site addresses: www.windsorind.com, www.prochem.com, www.century400.com, www.tecservco.com and www.gracomfg.com.

Dennis Meagher, Chief Executive Officer of KFI, explains that the web site is, "A visible expression of our vision and dedication to being the vendor of choice to our customers, the employer of choice to our employees, contractor of choice to our representatives and the customer of choice to our vendors. In keeping with this vision, we have invested significant time and resources in updating our web site. We believe you will find our efforts have resulted in considerably improved features and a fresh new look.

As you explore and utilize the new features, you will see throughout that our activities are indeed built around the brands that are the foundation of everything we do. So we hope you find the updated web site helpful and informative."

As always Windsor, Prochem, Century 400, TecServ and Graco will continue to be the global engine that drives innovative solutions in all that we do.

Windsor Industries manufactures a full line of innovative floor maintenance equipment for all your cleaning needs, including: Carpet Extractors, Chemicals, Vacuum Products, Floor Scrubbers, Sweepers, Floor Machines and Burnishers.

Kärcher Floor Care brings together the best brands in the commercial cleaning and maintenance industry: Windsor, Prochem, Century 400, TecServ and Graco. Together, these brands have provided floor care equipment, chemicals and service for more than 35 years.
